

## **A website dedicated to rural mail carriers**

**This website was started by an active rural mail carrier as a way to bring information and news to the rural craft. The idea is to have a place for all rural mail carriers to come together and find the information they need.**

**On ruralinfo.net, you will find many different things:**

**Postal manuals**

**NRLCA Contract information**

**Information on mail counts**

**Information for regulars and RCA' s**

**Postal news**

**Rural Carrier polls**

**Live Chat**

**Message boards**

**Transfer Ads**

**Post a free ad to sell your route vehicle**

**Editorials**

**Rural Carrier links**

**Rural Carrier Supplies**

**A rural carrier Social Network**

**And MUCH more....**

**Share this flyer with other rural carriers to spread the word!**

**Contact information**
