

## REPORTS TO REQUEST UNDER RRECS

### RADAR Report

To receive MDD RRECS activity scans via RIMS /Tracking/ MSP: The report can be run a variety of ways: by daily/weekly/per pay period.

The second report from RIMS is under the Tracking Tab and it can provide the USPS parcel data by route.

DPM Dismounts will show the authorized dismounts and the status. Check to see if they are active or inactive and is that the correct designation.

When you review DMP mapping and LTM, you should be reviewing the boxes and miles to ensure that everything is correct.
